

## Inamoto Miyu VA: Notsuki Mahiru

"In other words, Matsuri, I'm not worried at all about spending the rest of my life with you, and I don't question it either."

It's summer break, and it's time to relax... on a schedule, of course.

Even on vacation, there's still studying and training to be done, and somebody has to plan the meals so they don't starve or break the bank. Still, Miyu should be able to unwind on the beach with her girlfriend, as long as Matsuri doesn't do anything stupid!

## Maki Seina VA: Oukawa Mio

"Oh, and just tug as hard as you need to, okay?  
I know if you don't I'll just rush off the wrong way!"

In her last year at Shirojo, Seina's studying hard to get into college, but having just as much fun going out on dates with Miki, too.

Something's been bugging Miki ever since one of their recent dates, but maybe Seina has a solution to her girlfriends worries!

## Aihara Miki VA: Misumi Nanaho

"Will you... hold my hand? Will you pull me with you, in the best direction for us...?"

In her second year of college now, Miki's volunteering in a small club with Yuna.

Her girlfriend Seina is getting ready for her own college entrance exams, but when her friends Matsuri and Miyū invite her on a beach vacation with them, Miki invites Seina along too, thinking a break from all the studying would do her some good.

And it might be a good opportunity to talk to her about something that's been bothering Miki lately...

Yuna's in college...and she left Shirojo...

I...I need to sit down :c. I'm japanese, sorry for poor English.  
But I really want to recomend it.

This is one of Kindred Spirits on the Roof Drama CD series, one of surprised me most.

Cause it's not only story of romance(off course I like those very much too),sometimes in this story, they talk about "love".

It's more complicated theme, so I want to praise desicion of the writer.

Matsuri and Miyu is 20 years old in this story(or19? they're not "teenage girls" already eather way),this story becoming for them.

If you're admire of YURI genrea,you would enjoy this.. This one focuses on the two most perfect couples. They go to the beach and do their perfect couple things. There's also explicit couch abuse. That's all you should need to know.. Great interactions
